

# Presbytery of the Peaks PW Group/Circle Report

## January 1 – December 31, 2024

Please complete this form, and return it as indicated on page 2.

Everyone loves a good story, and the recording of the life and work of your PW group is a story worth telling. This form is a guided process to capture information about your group for the year indicated so you can recall in days to come your leadership, your works, and your study. This record is for your PW group, but it is also for The Peaks PW, as it will share valuable information to chronicle the service, study, and vital work of the women of the Presbytery of the Peaks. Our Coordinating Team will use this information to develop a clear picture of the activities, areas of service, and needs of our groups. It is very important that we have this information so we may support you in your endeavors.

This report format is the combination of two reports that were submitted previously to the Missions Coordinator and the Historian. Now you only have this report to complete and submit it as indicated on page 2. This must be done **by January 31, 2025**.

You will find spaces for **additional information** in each section. You are encouraged to add information, give further details, add a narrative, or record anything that might clarify or expand the information you have included. You are encouraged to add pages and pictures to this record as an **Addendum**. We would love to hear all you wish to tell us.
